Your transfer application is not complete until all of the above have been received, completed as applicable, including all fees and required signatures. We must also receive the appropriate completed applications (Certificate of Authority or Branch Registration), checklists and documentation from the transferee. In addition to the required transfer documents, all required reports due up to the point of transfer, must be filed, such as the Semi-Annual Report of Preneed Activity, the Annual Report of Endowment Care Cemetery Trust Fund and Cemetery Property Sales Log, etc., before the Commissioner will approve the transfer of your Certificate of Authority or any Branch Registrations. Likewise, any administrative actions, including examination findings, must be addressed and/or resolved to the Commissioner's satisfaction before the transfer will be approved.
