The examination must be administered by a proctor, who must sign an affidavit attesting to the fact that the student received no outside assistance in the completion of the final examination. The proctor must be a disinterested third party, with a minimum age of 18 years, who can be any person except for family members or individuals who have a financial interest in the success of the student taking the examination. Each year thereafter, every provider shall pay a renewal fee for the continuation of the authority to offer continuing education courses in this state of \$132.00.
