TO: All insurers authorized in Alabama

FROM: Mark Fowler
Commissioner of Insurance

RE: Federal Shutdown

DATE: November 5, 2025

EFFECTIVE: Immediate

Shutdown of the Federal government began on October 1, 2025, and continues in effect at this date.

The Alabama Department of Insurance is aware that there may be some Alabama residents who have been adversely impacted by the shutdown. Therefore, this Department is supportive of any measures insurers may choose to implement to allow impacted policyholders to be reasonably accommodated, such as providing payment plans or extensions for premium payments. Impacted policyholders should contact their insurance company to inform them of their Federal government employment status.
