**BULLETIN 2025-08**

**TO:** All property and casualty insurers admitted in Alabama

**FROM:** Mark Fowler  
Commissioner of Insurance 

**DATE:** December 15, 2025

**EFFECTIVE:** Immediate

**RE:** Unlawful trade practices – property and automobile insurance – prohibition against certain cancellations, non-renewals, or premium increases

**REPLACES:** Bulletin 2010-10

---

This Bulletin adds to and replaces existing Department Bulletin 2010-10 to state that prohibited policy actions also include a loss arising from an event not affecting the line of business in which the affected policy was issued.

1. At its effective date, this Bulletin supersedes Department Bulletin 2010-10, dated November 10, 2010, addressing prohibited policy cancellations and non-renewals.

2. Certain actions described in this Bulletin are deemed unlawful trade practices for purposes of the Trade Practices Law, Ala. Code §§ 27-12-1 et seq. This Bulletin applies to all personal and commercial property and automobile insurance policies issued by insurance companies authorized to write property and casualty insurance in Alabama and by the Alabama Insurance Underwriting Association.

3. Effective **January 1, 2026**, an insurer shall not cancel or non-renew a personal or commercial property insurance policy or automobile insurance policy if based solely on a claim arising from a catastrophe, natural disaster, acts of nature, weather-related causes, or based solely on a loss arising from an event not affecting the line of business in which the policy is placed.

4. Effective for new policies written on or after **February 1, 2026**, and for policy renewals on or after **April 1, 2026**, an insurer shall not do any of the following acts with respect to a personal or commercial property insurance policy or automobile insurance policy if based solely on a claim arising from a catastrophe, natural disaster,

acts of nature, or weather-related causes, or based solely on a loss arising from an event not affecting the line of business in which the policy is placed.

**(a)** Apply a premium surcharge to such policy; or

**(b)** Offer to place the coverage in another rating tier with the same insurer or place the coverage through an affiliated insurer if either such action would result in a higher premium.

**5.** By **January 1, 2026**, each insurer that has rating rules which do not comply with this Bulletin must file an amendment to its rating manual through SERFF<sup>SM</sup> and provide a complete updated manual in the filing.

**6.** This Bulletin does not prohibit:

**(a)** Cancelling or non-renewing a policy in the event of a claim arising from a catastrophe, natural disaster, acts of nature, or weather-related causes, or based solely on a loss arising from an event not affecting the line of business in which the policy is placed. if there are additional substantial reasons for such action such as concealment, misrepresentation, or fraud by the insured relating to the policy, whether before or after the claim; or

**(b)** Removing or discontinuing a claims-free discount after a claim arising from a catastrophe, natural disaster, acts of nature, or weather-related causes. [Note: It is still prohibited to remove or discontinue a claims-free discount based solely on a loss arising from an event not affecting the line of business in which the policy is placed.]

Questions concerning this Bulletin can be submitted by electronic mail to the Department's Rate & Forms Division at [rates.forms@insurance.alabama.gov](mailto:rates.forms@insurance.alabama.gov).
